

Smudge Feathers

What Is A Smudge Feather & What Is It Used For? A Smudge Feather is a very personal and meaningful spiritual tool. Smudge Feathers are used in a Simple, Powerful way along with sacred herbs such as white sage or sweetgrass to cleanse and purify people, objects, and places. Incenses such as Frankincense can also be used.

How Do I Use A Feather with my Sage Bundle to Smudge? Light the herbs and blow to smoke. Using the smudge feather or prayer feather spread the smoke all around yourself first then over what it is you are cleansing. This clears negativity, cleanses, focuses and purifies that which is being smudged.
